SlimStar 801

2.4GHz comfy wireless desktop combo

The SlimStar 801 is the latest practical wireless keyboard combo released by Genius. It redefines the meaning of combining style and simplicity. The 2.4GHz wireless solution with anti-interference function improves your working efficiency greatly.

SlimStar 801 has eight function keys for instant access to your office applications. A detachable palm-rest reduces wrist fatigue while typing. The mouse uses 1200 dpi high-definition optical tracking technology, so you can you browse documents or Internet pages more efficiently. The Pico receiver stores inside the mouse for convenience. Contact your sales representative for more information about SlimStar 801.
